Tucker Hall is a single-story, 5,000-square-foot structure constructed in 1991. This auditorium is used for various functions such as Board of Regents meetings, Student Council meetings, and other large gathering needs. Tucker Hall is capable of supporting A/V needs, such as microphones, projectors, and a screen. Training is required for the use of this equipment.

Food and beverages are not permitted in Tucker Hall.

Snacks or refreshments may be served in the lobby. Arrangements can be made through campus services for all food and beverage needs. Custodial support charges will apply to any required cleaning.
