Something for Seniors

If you're 50 years of age or older and want some fun, adventure and educational enrichment, then Lee College's Senior Citizen Program can fulfill those desires through recreation, fitness and educational activities. The Senior Citizen Program at Lee College's main campus in Baytown offers a variety of weekly programs, classes and events.

Annual events such as the week-long Baytown/Highlands/Crosby area Senior citizen olympics, Christmas Dinner dances, lively Mardi Gras and Rodeo parties are hosted by the College and in partnership with Baytown Parks and Recreation Dept. and various Harris County Senior Citizen Programs. Regular day/night trips to Houston cultural, sporting and fine arts venues are scheduled.

Every year the Senior Citizen program and Continuing Education offers educational and recreational travel to different regions of the United States and as well as travel to Canada, Mexico, Europe and the Far East. Program Manager Lynne Foley serves as travel escort for all trips. Along with travel and semester seminars, Lee College offers senior adult fitness classes, such as water exercise, yoga and cardio kickboxing. Also a chapter of the Retired and Senior Volunteer Program (RSVP) is based at Lee College through its partnership with the National Service Corps of America. An AARP Chapter meeting is held monthly on the college campus.

Through Lee College's Continuing Education department, learning opportunities are made available for senior adults on a wide variety of topics such as computers, personal finance/retirement, stress management as well as Driver Safety classes through AARP. Approximately 1, 5000 senior adults benefit from the senior citizen program each year.
