

CARES Folder

The CARES Folder is a quick reference guide for faculty and staff to help them recognize the signs of students in distress. The folder provides information on support resources available and serves as a guide for faculty and staff on how to connect students to these resources.

Faculty and staff members may complete the form below to request a copy of the folder. Please contact the CARES Team at (bit@lee.edu) if you have any questions.

A [digital copy of the CARES Folder](#) can be downloaded for your reference.
