MEMORANDUM

To: Jacob Atkin

From: Renea Woodruff

Date: July 23, 2026

Subject: Board Financials for **June 30, 2026**

Attached are the financial reports for the month ended June 30, 2026, reflecting activity for the tenth month of FY 2026. Overall revenues are trending above the budget, primarily due to higher-than-expected tuition from out-of-district, non-resident, dual credit students, and tax revenue. As of June, expenses are trending below the projection, largely due to the timing of various contracts renewals and other operating expenses as compared to prior year.

Revenues for June

Key Highlights

- Tuition – In-District Tuition was higher than the projected monthly budget. \$565K more than projected for June due to the timing of Huntsville tuition.
- Dual Credit Tuition was slightly above the projected amount by \$1,742. Year-to-date DC tuition of \$2.5M, which has already exceeded the overall budget of \$2.1M.
- Tuition Waivers came in higher than the projected monthly budget by approximately \$31K.
- Student fees (Registration, Student Services, Technology, etc.) are higher than the projected monthly budget by \$91K.
- The My-Books Fees were higher than the monthly projected budget by \$226K.
- District Taxes (M&O and I&S) – District tax collections were higher than the June 2026 monthly budget. This is primarily due to timing of collections and posting of payments by the Tax Assessor's office. \$190K
- Workforce/Continuing Education Revenues were lower than projected monthly budget by \$97K, likely due to timing of course offerings and courses offered.
- Interest income is above the monthly budget projection by \$77K, primarily due to the timing of investment maturities and scheduled interest payment dates, which fluctuate throughout the year. The year-to-date interest income is slightly below the target with the overall budget at 86%.
- The overall revenues are 100% of the total budget as of June 2026.

Expenses for June

Key Highlights

- Personnel Costs were right on target for June. Currently all personnel costs are at 84% of the total budget for FY 2026.
- Computer Software and Contract Services expenses were lower than the budget projection for the month due to timing of expenses compared to FY 2025. In the current year, a new account was established for the Computer Software as opposed to being included with Contract Services.

- Legal Fees expenses were lower than the projected budget by \$16K.
- Travel expenses were lower than the projected amount for June by \$98K. This is likely due to the timing of travel expenses being recorded.
- Other operating expenses are lower than the projections for June, primarily due to the timing of bookstore inventory purchases.
- The overall expenses are 77% of the total budget as of June 2026.

Cash Position

Our cash position is strong. The estimated cash balance as of June 2026 is approximately \$70.1 million. Of the cash balance, \$33.8 million is Operating Funds and Construction Funds; \$35.2 million in Board Reserves; and \$1.1 million in Lost Revenue Funds we acquired through the CARES Grant.

Overall, there was a net increase of approximately \$743 thousand for the month of June. The projections presented here are based on current data . While they provide a preliminary view of the fiscal year, final results will not be determinable until closer to year-end. We will continue to monitor activity and update projections as more information becomes available.
