

Harvest of Hope Campaign

The

holiday season is a time for giving, gratitude, and hope. At Lee College, it is also a time to remember the many students who are working tirelessly to change their lives and the lives of their families. Some are parents balancing classes and childcare, others are the first in their families to attend college, and all are striving for a better future.

Through the Student Resource Advocacy Center, we provide support for students facing unmet basic needs such as food, housing, and childcare. Your gift, no matter the size, provides meals for students who are hungry, offers emergency funding when crises arise, and supports childcare for parents working toward a degree.

You can make a difference in two simple ways:

- Make a one-time gift
- Set up a monthly gift through payroll deduction

Did you know that nearly 70 percent of Lee College students experience basic need insecurity? Your generosity gives them strength and stability, reminding them that their Lee College family cares deeply and stands ready to help them stay the course.

Every donor will be entered into a drawing for a Lee College fire pit, a small token of appreciation for your generous heart and the warmth you bring to our students' lives. Thank you for your kindness and for showing our students that they belong to a community that believes in them.

Together, we are planting seeds of hope and success.
