

HVAC: Instructor

Shawn Sanderson has been a dedicated professional in the HVAC industry since 1998, bringing extensive experience in heating, ventilation, air conditioning, electrical systems, and workforce training. He has served with the Texas Department of Criminal Justice (TDCJ) and has been an HVAC Instructor with Lee College since 2019. He is committed to equipping students with the technical skills and industry knowledge needed for successful careers in the HVAC field.S

Sanderson holds an associate degree in engineering technology and a bachelor of science in interdisciplinary studies. He is EPA Certified and received specialized training in aviation electrical systems through his service in the United States Navy. Combining decades of industry experience with a passion for education, he provides students with practical, hands-on instruction that prepares them for the demands of today's HVAC and skilled trades workforce.
