

FACILITIES CONSTRUCTION

CM
(LOCAL)

Compliance with Law	The College President or designee shall establish procedures ensuring that all facilities within the College District comply with applicable laws and local building codes.
Construction Contracts	Prior to advertising, the Board shall determine the project delivery/contract award method to be used for each construction contract valued at or above \$50<u>\$100</u>,000. To assist the Board, the College President shall recommend the project delivery/contract award method that the College President determines provides the best value to the College District. [See CM series] For construction contracts valued at or above \$25<u>\$100</u>,000, the College President shall also submit the resulting contract to the Board for approval. Lesser expenditures for construction and construction-related materials or services shall be at the discretion of the College President and consistent with law and policy. [See also CF]
Emergency Exception	In the event of a catastrophe, emergency, or natural disaster affecting the College District, the Board delegates to the College President <u>College President</u> the authority to contract for the replacement, construction, or repair of College District equipment or facilities in accordance with law if emergency replacement, construction, or repair is necessary for the health and safety of College District students and staff. The College President <u>College President</u> shall report to the Board at the next regular meeting any contract made under this authority.
Change Orders	Change orders permitted by law and with a value of less than <u>\$100</u>,000 shall be approved by the College President prior to executing any changes in the approved plans or in the actual construction of the facility. Change orders valued at or above \$10,000<u>\$100,000</u> shall require Board approval. The College President shall be authorized to approve change orders of a lesser amount.
Project Administration	All construction projects shall be administered by the College President or designee. The College President or designee shall keep the Board informed concerning construction projects and also shall provide information to the general public.
Final Payment	The College District shall not make final payments for construction or the supervision of construction until the work has been completed, and the College District has accepted the work.
