Paranormal Camp

Explore the unknown! Paranormal Camp will examine mysteries, hauntings, cryptozoology, UFOs, and the unexplained. This camp will give students another perspective on their own unexplained experiences. Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any entertainment, commercials, and different contexts. Still, popular media or commodified representations of ghosts can differ from the beliefs people hold about them based on tradition or direct experience. They will learn about the equipment used in the paranormal, have hands-on experience, communicate and collaborate with storytelling, legends, and lore, and meet TV ghost hunters Barry and Brad Klinge of Ghost Lab via Zoom. Students will experience their investigation on the last day of camp.
